## straight & layered

choose another hair type: select one

### hairpiece

**allover pink pieces**

1. Create a deep side part on the right side of your head.
2. Snap hot pink hair pieces onto the roots of your hair wherever you want to add streaks of color.
3. Use medium-sized hot rollers to create curls throughout your hair, then lightly brush out the hair to the left of your part to smooth it down and across your left temple.
4. Loosely bobby pin the left side of your hair back, above your left ear.
5. Pull curls forward to cover the pins.

TRY: **Easilites Clip-In Color in Bubblegum,** $60 for six pieces, easihair.com or Ulta stores

**multiwrapped pony**

1. Back-comb the hair at the top of your head to create volume.
2. Pull your hair into a ponytail and secure it at the back of your head with an elastic faux-ponytail hairpiece.
3. Tie another elastic faux-ponytail hairpiece onto the end of the one you added in step 2.
4. Tie a third hairpiece to the end of the one you added in step 3.

TRY: **Tonytail elastic in Dark Brown,** $7, Claire's stores
